You're unique... shouldn't your flatware be too?

Have your very own custom designed sterling silver flatware by choosing the finial that best suits you. Each piece is handcrafted to your specifications. Order any finial design shown below on any piece listed in this catalogue. Feeling is believing when you hold a spoon or fork in your hand and feel the weight and balance of the piece, making every dining experience an elegant event.

*Serving Spoon
& Serving Fork*

Every piece is solidly crafted flatware is made from the highest quality grade of tarnish-resistant sterling silver containing less copper. Therefore it is less likely to tarnish as quickly as manufactured sterling silver.

Serving Pieces
